Child Protection Procedure

If you have a child protection concern, inform the Designated Safeguarding Lead

Step 1

For the whole
Nursery
Hayley Maggs

In the absence of Hayley
Maggs, inform
**Georgina Trevor (left) or
Stephanie Appleby (above)**

Step 2

Fill out the Child Protection Concern form
(located in the office)

Points to Consider

Where a child volunteers information about possible abuse you should:

- Seek information from the child with tact and sympathy
- Listen to the child without interruption
- Not ask leading questions of the child
- Use the child's language when filling out the Child Protection Concern form
- Note any visible injuries on the Child Protection Concern form
- Not promise the child absolute confidentiality
- Not investigate suspected abuse yourself
